<http://phorum.org/phorum5/search.php>

Sorry for my English!

[[phorum.org](http://phorum.org)]

it doesn't work

"the page cannot be found!"

[[phorum.org](http://phorum.org)]

it works.

Pls, hint me way to make search working!

**Re:** <http://phorum.org/phorum5/search.php>

currently you can't use the search from the overview, only from a forum.

you should remove the link from the index.tpl.
