Applying Phorum patches in Windows?

---

sheik / January 04, 2006 12:31PM

[Applying Phorum patches in Windows?](#)

Can anyone recommend a free Windows utility to create/apply patches [like this one?](#)

Thanks,

Adam

If you installed Cygwin you can get a UNIX-like shell with 'diff' and 'patch'

or just have your own linux-system somewhere.

it helps with many problems ;).
