

Phorum 3 forums (READ ONLY) / Graphics for Phorum 3 (READ ONLY)

please wait

jeroom / May 23, 2001 10:34AM

[please wait](#)

where can i find the code for the please wait div, when phorum loads?
i think its neat and i would like the use it
tnx,

Vulpes / May 23, 2001 08:17PM

[Re: please wait](#)

easy, my source code.

Jesper / June 23, 2001 02:11PM

[Re: please wait](#)

Where is your source-code?

Where can I downloade the username and password script and the Please Wait script?

Cheers

Jesper

[Re: please wait](#)

Yeap, I really cool for the pop up DIV
Vulpes, can u pls make it available for download ?
thanz in advance
